Wes Graham A mixed farmer west of Esperance. I am married with children and grandchildren living and working here.

I have served this Community through farming groups, sports clubs, fire brigade and Rotary for 45 years.

Having been on Council now for 4 years I feel I have developed the knowledge needed to continue to serve the Community.

I have contributed strongly in the making of important decisions investigating all factors and full due diligence for the best result for Esperance.

I have pushed for better outcomes in Shire public and developer relations that have lead to a more positive experience for everyone. This has improved culture within the organisation.

I listen to all sides and work together with Councillors, Executives and community groups as a team to help create a better future.

Having lived in Esperance almost my whole life I am invested in making it a better place for everyone to live, enjoy and prosper.

Vote 1 for Wes Graham so I can continue to serve our Community.
